**Your mission :**

You have just spent a week at the Fairwater Head Hotel with your family.

On your first day at school, you meet your best friend and tell him about the hotel, what you liked and didn't like about it.

You really enjoyed the full English breakfast. Tell your friend what it was like, and why it was very different from our « continental » breakfast.

**Hawkchurch, Devon, UK**

## Staying at the Fairwater Head Hotel

Since buying the Fairwater Head Hotel in 2007 we have worked on every aspect of the hotel. The views and scenery were already there but we believe we have added our own personality to each area and created a hotel that has a warm and friendly atmosphere combined with the highest standards of housekeeping and service.

We have sixteen rooms with each style of room having its own distinct character and all with views of our garden.

Our hotel is in three distinct and different sections to fit whatever you are looking for.
